Acton High School Commencement 1991

Words to live by

Looking over the Acton High School 1991 graduating class Friday, Principal Ozzie Caldarelli referred to the graduates as a "handsome and mature lot" and urged them to confront their futures with "courage, determination and character." (Herald Photo)

Saying goodbye

Acton Public School Trustee, Arlene Bruce gave her final address in her capacity as trustee Friday during the 1991 Acton High School Annual Commencement Exercises. Ms. Bruce said she enjoyed her job, and the Acton students were a source of pride for her. Ms. Bruce has decided not to seek re-election in the Nov. 12 municipal election.
