

Norval W.I. still receiving anniversary gifts

By KAY WILSON

Norval WI met at the home of Marie Murray, Nov. 7 at 7:30 p.m. with nine members attending.

After the opening exercises President Jean May conducted the business of the meeting. Two gifts for our 85th Anniversary were received. Joy Laird, long-time resident of Norval gave a cheque for \$85.00, and Norma Tripp gave a folder of photos taken at the Anniversary Celebration.

Norval WI is donating \$50 to Peel Memorial and Georgetown and District Memorial Hospitals.

Jean May and Norine Van Leeuwen will attend the Educational Workshops being held in Fergus in February 1992.

Aileen Nixon gave two recipes for the Children's Cookbook.

A number of our members plan to attend Halton District WI 90th Anniversary luncheon at Brookville Hall Nov. 24. Federated Women's Institute of Ontario (F.W.I.O.) President Elect Margaret Eberly will be guest speaker.

A report from Guelph Area Convention was given. An address by F.W.I.O. President Peggy Knapp highlighted the first day.

Peggy likened WI to the order system of Canada Geese. She spoke of Adelaide Hoodless who having lost a child by using unsafe milk, fought tirelessly for food safety, sanitation and health improvement laws from the

Norval News

government.

Quoting words of Ellen McLean, Peggy said, "We cannot be silent when children are starving."

She closed with another quote from Premier Bob Rae, "If WI thinks it's work is done, let me say it is just beginning."

Five different workshops were well presented for members attending this convention.

Thinking of the Environment, an article from the National Geographics May 1991, was

brought to our attention.

Plastic is now used to make billiard balls in place of using ivory.

On the second day of the convention, Area President Irene Mauer spoke of the Stewers, the Doers, stressing when we practice climbing higher there is no peak we cannot reach. Each time you take a new position you improve yourself, she said. Communication is 90 per cent listening and understanding.

She left us with this final thought - Use enthusiasm to persist intelligently with simple sincerity.

A resolution dealing with compulsory licensing of anyone prac-

tising psychotherapy was sustained 100 per cent at area levels.

A tree-planting ceremony was a fitting end to a good convention.

Norval's president Jean May turned the meeting over to Dorothy McLean and Norma Thompson, our Tweedsmuir History Convenors.

Their program speaker, Joan Carter had graciously consented to come in place of her brother Gordon Browne who sadly had been taken to hospital with a heart attack recently.

Joan chose to speak about the corn mills run by water power and the millers who operated these mills in Scotland. She had first hand information from a book she got from the University of Dundee, dated 1779.
