Trumpet & FRIENDS FUNSTUF

TRUMPET HAS MET HIS VERY FIRST ANTEATER. "BOY YOU SURE HAVE A LONG TONGUE!"

"WHEN ALL YOU EAT ARE ANTS IT'S VERY HARD TO GET BY WITH A SHORT FAT ONE, KID." SAID THE ANTEATER IN HIS VERY, VERY NASAL VOICE. "BUT THEN, WHAT WOULD YOU KNOW; EVERYTHING ABOUT YOU IS SHORT AND FAT."

I THINK I'VE JUST BEEN INSULTED.

What bugs you about school?

SHAWN CARLSON, 10, GRADE 5, JOSEPH-GIBBONS P.S.: Spelling. It bugs me because we have to take all the words we got wrong and put them into sentences.

TABITHA HALMAN, 8, GRADE 3, JOSEPH-GIBBONS P.S.: Sometimes spelling bugs me because when there are hard words, they make me nervous.

JASON VANTOL, 6, GRADE 1, JOSEPH-GIBBONS P.S.: Nothing. I really like school.

Canadarn!

Montreal's Olympic Stadium is falling apart. Maybe it's because the teams which play inside it always do.

The federal government complains that Canadians aren't honing a competitive edge to face the global economy. Critics obviously forget about the crowd at Canadian Tire, when the first winter storm hits, grabbing for the last set of jumper cables.

It's important this time of year to be sure that your tires can handle slippery conditions. You might test this by lightly applying the brakes on a slippery road. If you do this in Saskatoon and find yourself in Regina, you need a somewhat better tread.

DID YOU KNOW?

by AL 3/11

MORE THAN 2000 YEARS AGO, A LIGHTHOUSE WAS BUILT ON THE ISLAND OF PHAROS (NEAR ALEXANDRIA, EGYPT), WHICH STOOD OVER 400 FEET HIGH. IT WAS ONE OF THE SEVEN WONDERS OF THE WORLD AND LASTED OVER A THOUSAND YEARS LATER.

HANNIBAL IS FAMOUS FOR INVADING ITALY IN 218 B.C. BY TAKING HIS TROOPS AND ELEPHANTS OVER THE ALPS. OVER A PERIOD OF SIXTEEN YEARS IN ITALY HE WON SEVERAL BATTLES AGAINST THE ROMANS, BUT WAS FINALLY DEFEATED IN NORTH AFRICA.

IN 1918, AROUND THE END OF THE FIRST WORLD WAR, MORE THAN 21 MILLION PEOPLE WERE KILLED — NOT BY ENEMY ACTION, BUT BY THE WORST INFLUENZA EPIDEMIC EVER KNOWN.

CARRIER OF THE WEEK BOYS-GIRLS

Cameron, 14, is a Grade 9 student at Georgetown District High School.

He's been delivering 100 copies of the Halton Hills Herald for almost two years.

Some of his earnings he saves but some are spent to beef up his sports card collection of baseball and hockey greats. His most prized card is one of Sergei Federov of the Detroit Red Wings.

At high school, Cameron can often be seen running since he is on the schools' cross-country team. If not there, he can often be found in the machine shop, one of his favorite courses at school.

For being chosen carrier of the week, Cameron will receive a large pizza courtesy of Pizza Hut in Georgetown.
