PLAN NO. 87-1869

OPEN PLAN INVITES CASUAL LIVING

Spindle railing, bay windows and turned posts lend charm to this 1,869 square foot home. The interior with its exceptional features offers a carefully designed layout sure to please the most discriminating tastes. The covered verandah opens to the main foyer, dominated by a winding open staircase. To the right is a large living and dining room with warming masonry fireplace and built-in buffet nook. An optional bay window may be added to the living room. The informal area of the home centers around a bright, well planned kitchen and adjoining family

room. The step-saving kitchen which promotes a sense of spaciousness, offers a pantry, desk, and allows the cook to keep an eye on family room activities. The breakfast room, tucked in a sunny bay, provides a cheery spot for informal dining. The sunken family room features a corner positioned fireplace and sliding glass access to rear patio. The secondary entry from the double car garage through a handy main floor laundry room, provides a direct route to the kitchen for unloading groceries. The staircase ascends to a gallery which views the foyer below. The expansive master bedroom boasts a front view sitting bay, dressing room with mirrored closet doors and three piece ensuite with shower. The two additional bedrooms share a full bathroom with raised soaking tub.
