PLAN NO. 87-1869

OPEN PLAN INVITES CASUAL LIVING

first level 946 sq. ft.

second level 923 sq. ft.

Spindle railing, bay windows and turned posts lend charm to this 1,869 square foot home. The interior with its exceptional features offers a carefully designed layout sure to please the most discriminating tastes.

The covered verandah opens to the main foyer, dominated by a winding open staircase. To the right is a large living and dining room with warming masonry fireplace and built-in buffet nook. An optional bay window may be added to the living room. The informal area of the home centers around a bright, well planned kitchen and adjoining family room. The step-saving kitchen which promotes a sense of spaciousness, offers a pantry, desk, and allows the

cook to keep an eye on family room activities. The breakfast room, tucked in a sunny bay, provides a cheery spot for informal dining. The sunken family room features a corner positioned fireplace and sliding glass access to rear patio. The secondary entry from the double car garage through a handy main floor laundry room, provides a direct route to the kitchen for unloading groceries.

The staircase ascends to a gallery which views the foyer below. The expansive master bedroom boasts a front view sitting bay, dressing room with mirrored closet doors and three piece ensuite with shower. The two additional bedrooms share a full bathroom with raised soaking tub.

Breakfast and kitchen area overlooks family room
