Seniors Games in the offing

Ontario Seniors Games, August, 1992. Does that sound a long way off? Do not be fooled. That is only the end of the games. For the local community - that is, Georgetown and area the games are getting organized now. The winners in our locality then compete in Zone 21 (which is the Halton region) and then finally, those winners go on to compete in the Ontario games being held next August in Hamilton. You will be hearing about these games in any of the seniors groups to which you belong, through write-ups in the local media which come from the Recreation and Parks department, and perhaps from your friends. Even so, there are many who are still unaware of such an event as Ontario Seniors Games.

Recently a first meeting was held in Georgetown to get the

Seniors for the Future

local games organized, and find people who would be responsible for organizing and promoting each game. The only date tentatively set was for the golf - June 15, or 22 for a raincheck.

The games which are so far listed as part of the event are: carpet bowling, contract bridge, cribbage, darts, euchre, five pin bowling, golf, horseshoes, lawn bowling, shuffleboard, snooker, swimming sprint, swimming predicted, tennis, 3 km walk predicted. Debbie Meithig, in the Recreation and Parks Office is the overall organizer for these, and along with all the volunteers which she is recruiting, will be

trying to make this coming event even more successful than the 1990 games. Within our own region of Halton, Halton Hills had the highest participation rate. I'm sure that Debbie wants us to keep up that record.

Those who may participate are adults 55 years and older. These are friendly games where people from all over Ontario may meet and greet and enjoy.
