ELEGANT EXECUTIVE ESTATE

This new look traditional, with graceful arched windows and brick detailing, offers 3,345 square feet of elegant living space. Angled rooms and passages add to the unique floor plan. The two storey foyer spills to a vaulted living and adjoining dining room nestled in a bay window - ideal for formal entertaining. The gourmet kitchen, with spacious walk-in pantry and centre cooking island, is perfectly situated to serve the breakfast bay, dining and family area. Off the kitchen is a large laundry room with long counters for a sewing centre and built-in ironing board. The den, or office, positioned away from the noisy traffic areas,

has a two piece powder room and wall closet which offers the potential to double as an extra bedroom or guest room. The stairs wind to an open railed gallery which views the foyer below. The opulent master suite features a sitting bay and ensuite with twin vanity, whirlpool spa, walk-in wardrobe and separate shower. The two additional bedrooms, one with a bay window exposure, share a main bath with soaking tub. The bonus room offers an additional 310 square feet of living space and can be used as an extra bedroom, media centre or game room.
