

Norval News

By KAY WILSON
Herald Special

Congratulations to Gordon Laidlaw and family who are happy and proud to be acclaimed a Master Breeder of the Holstein Association of Canada.

Truly a family enterprise - Gord and his wife Rosie and their married sons, Terry and Bob and Wayne and Debbie are all living and working on the farm.

Daughter Mary Law and her husband Bob have a home on the farm and their own business. Eight young grandchildren all under the age of four enjoy getting to the barn to see the baby calves.

Gord gives a lot of credit to his late father Norman who started the Kaynor Herd and some of these started the "Applevue" herd.

Gord's brother Bill, his uncle Jack Fraser and cousins have all won the Master Breeders Sheild.

In between tending to their Holstein herd, the Laidlaws have a large acreage of apple trees bordering the Credit River on Heritage Road, near Norval. Pruning and spraying is a big job at certain times of the year, as well as picking and sorting apples in the fall. They also take truck loads of apples to Guelph market from early fall til mid spring.

Sunday is a day of rest, the Laidlaw family are devoted members of Maple Avenue Baptist Church in Georgetown.

Gord will receive the coveted award in April at Saskatoon, Saskatchewan.
