

HOROSCOPES

February 2-8

ARIES - March 21/April 20
Romance and leisure activities will take up much of your time in the opening days of this week. Important decisions might be better left to the end of the week. You'll be able to think more clearly and come to reasonable conclusions.

You may have to make time to see a professional consultant about your finances before you enter into any long-term commitments. Romance could blossom this weekend and an old friend could be instrumental in a long overdue reconciliation. Take care toward the end of the week — you'll be "accident prone."

Taurus - April 21/May 21
Indications for your health this week are better than most. Your inner sun should be shining, regardless of what the weather may throw at you. Watch out for new opportunities for advancing your career or improving your image.

LEO - July 23/August 23
You may have to make time to see a professional consultant about your finances before you enter into any long-term commitments. Romance could blossom this weekend and an old friend could be instrumental in a long overdue reconciliation. Take care toward the end of the week — you'll be "accident prone."

GEMINI - May 22/June 21
You could start the week showing off some of your possessions to your friends and acquaintances (new household appliances or a new car, for instance), and sharing some others with someone at work. Keep in mind who you lend things to — they may tend to get lost.

VIRGO - Aug 24/Sept 22
Your commitments to friends and neighbors could grow too heavy for your peace of mind this week. If you are offered a chance to relax or take a day off without responsibilities, it might be wise to accept. Offer apologies for your absence at a social event where you might be expected to do all the chores.

CANCER - June 22/July 22
Travel goes well now, and you may make an unexpected journey over water this week, which may allow

LIBRA - Sept 23/Oct 23
This week seems to have been specially designed to suit creative peo-

ple. A new assignment should be right up your alley, and it looks as if it will prove profitable as well as pleasurable. There also are favorable conditions for romance; it is, therefore, an ideal week for starting new relationships with members of the opposite sex!

SCORPIO - Oct 24/Nov 22
There is happiness and good fortune in the early part of the week. Later on things will become somewhat more difficult, but you will be able to cope. If you wait until Thursday to attempt new ways of "turning an honest penny" you may find it difficult to accomplish.

SAGITTARIUS - Nov 23/Dec 21
There should be an exciting beginning to this week involving travel arrangements, but those who are more set in their ways will view these influences as an annoyance.

CAPRICORN - Dec 22/Jan 20
Family duties and responsibilities will tend to weigh heavily on your mind this week. Overwork and frustration are affecting your health, and for your own sake you should seek to unload some of your chores onto someone less busy.

AQUARIUS - Jan 21/Feb 18
Your love life will be a source of inner strength to you, and an upturn in your family finances ought to put in an appearance just about now. If you want to obtain a bank loan or mortgage, this might be the time!

PISCES - Feb 19/March 20
There are bound to be some ups and downs for you this week, but if you can avoid taking people for granted, you should end the week in a happier frame of mind than that in which it began. This uplift will be conducive to financial improvement as well, so let your personality shine through the early difficulties.

YOUR BIRTHDAY THIS WEEK
The next 12 months:
Your life has been so hectic this past year; now it's time to slow things down a bit. If you take a step back and really evaluate your life, good things will happen. The arts and creativity figure prominently; especially where career is concerned. That dream job may be closer than you think!

How To Write A Good Classified Ad:
1. Start your ad with the merchandise you are selling. This makes it easier for the reader to locate your advertisement.
2. Always include the price of the item you are selling. Many readers of the Classifieds will not respond to an ad which does not include a price.
3. Place yourself in the readers position. Ask what you would like to know about the merchandise you are selling. Include information such as brand name, colors and other specific descriptions in your ad and you will receive a quicker response from the reader.
