53 HELP WANTED

*Innovative People
Making Technology Work*

Varian Canada is a recognized leader in the design and production of a wide variety of sophisticated electronics products for the use in many industries worldwide. Currently we seek an experienced and motivated individual to assume the responsibilities of

PLANT MAINTENANCE SUPERVISOR

Reporting to the Plant Engineer you will supervise the activities of our multidisciplinary maintenance department. Ideally you will have five years of supervisory experience, hold an electrician's license and are knowledgeable in the maintenance of machinery, brazing furnaces and plant services such as electric power, water and gas piping, compressed air systems, HVAC and plumbing. A background in electronic maintenance, high voltage power supplies and instrumentation would be an asset.

We offer a full range of benefits including profit sharing, a stock purchase plan and an in-house fitness facility plus the opportunity for personal growth in an excellent professional environment. We invite you to forward a detailed resume in confidence to Human Resources Manager, Varian Canada Inc., 45 River Drive, Georgetown, Ontario L7G 2J4. Tel: 416-877-0161; Fax: 416-877-5327.
