Police/Fire Report

Games stolen

A break-in at an Acton residence is featured in the Crime Stoppers of Halton report this week. Police report on February 26, a Mill Street resident returned home to find a Playstation 3 and 30 games – valued at \$2,400 – had been stolen from a basement recreation room.

Footprints at the side of the house led police to believe the suspect(s) entered the basement through a side door. A similar theft had occurred at the home in September 2010.

Anyone with information on this, or any other crime, can contact Crime Stoppers at 1-800-222-8477, or at www.haltoncrimestoppers.com or by texting "Tip201" with your message to 274637 (crimes).

Illegal burn

Acton firefighters extinguished a large fire of carpet, furniture and household goods at a property at the southwest corner of Highway 7 and 22 Side Road at 12:49 on Saturday. The homeowner was advised not to conduct any more burns without getting a required burn permit.

Alarm malfunction

A Tanners Drive homeowner had to replace his smoke alarms after the hard-wired alarms sounded without reason at 1:17 last Wednesday afternoon. The alarms would not reset, even when the breaker was switched off and back on.
