

CONGRATULATIONS TO THE CLASS OF

2011

Best wishes from Trustee Rowe

On behalf of the Halton Catholic District School Board, I would like to congratulate all graduates in our system this year. I would like to thank you for choosing Catholic education and supporting a system which has strived for excellence in all that we do.

The Halton Catholic District School Board achieved the highest provincial success rate in the recent grade 10 literacy test. We are proud of the achievements of our students, thanks to the hard work of their parents and teachers. We will continue to offer an education

that allows students to discover the gifts that God has given them, as they mature into caring citizens that contribute to their community. Next year, St. Joseph's Catholic School will offer full-day Kindergarten classes and will add to St. Joseph's School to keep

it up-to-date and modern. The school will continue to work with the Parish of St. Joseph, Patron of Canada and with the parents of St. Joseph students, to keep the connections alive between home, school and parish. As summer holidays beckon, we let our minds relax

for a well-deserved break, before we return to our education. Congratulations to the graduates of Acton and area. As you move forward on the road of life, just remember to always put your

faith in the Lord, who is right there beside you. Sincerely, John Mark Rowe Acton Trustee Halton Catholic District School Board
