# Celebrating success - g

On behalf of the Halton District Board, we would like to offer congratulations to all of our graduates for this year. Whether you are leaving for university, high school in the Fall, or receiving your Ontario graduation diploma, it's exciting to see you have achieved. Your teachers and family are proud of your accomplishments, and you can be very proud of yourself.

It's also a great time to think about your future. Whether your personal path will be through an apprenticeship, or a position in the workforce, it continues to expand the options available to our students "custom build" their own unique experiences. Acton students leave with pride in their strong performances at the top of their classes in academics and the arts, demonstrating the Halton District High School takes many paths to success.

This past year Acton school board has demonstrated the Board's commitment to environmental education through Acton D.H.S.'s leadership with the "Stream of Dreams", the classroom lessons, our thank you letters to those who are both learning and teaching, and our various initiatives.

This has been a great year for our students and when parents demonstrate how they can help make their school a better place for all children also become more committed to their school and dedicated School Councils members. We appreciate their contributions to their school community and we hope they can help make their school a better place for all families.

Congratulations again to all of our graduates for to seeing your build on your success.
