Meet A Local Realtor®...

Peter Zavitz

Sales Representative

Known for his Infectious Enthusiasm & Compassion for People!

Peter, his wife Lydia and their two daughters came to Georgetown 19 years ago, from Toronto. "We were looking for a more peaceful, family-oriented place to live and Georgetown was the perfect choice. Of course, we ended up with a big bonus - the natural beauty of the surrounding countryside".

Peter first experienced sales and customer service at the age of fifteen. He worked as a part-time salesman for a men's clothier. "I was impressed with the way in which the senior sales staff served their customers". "They treated them with respect and warmth and went out of their way to ensure they were satisfied."

In 2006, Peter joined Johnson Associates Real Estate Ltd. as a sales representative. He knew that this would be a business where he could be true to his personal values, while providing his clients with superior service.

In addition to achieving top sales results, Peter is also known for his high energy and enthusiasm. His clients report that they really appreciate his warmth, patience and sense of humour.

Peter has consistently earned Johnson's coveted Presidents Circle Award, which recognizes both his high business standards and sales results. Peter states that "Working with Johnson Associates has been my most satisfying career choice. My colleagues are inspiring to work with. There is a real sense of team within the company."

Community involvement is a high priority for Peter. Over the past thirteen years he has been a member of the Georgetown Rotary Club. He has served as the club's Student Exchange Program director and is currently the acting Treasurer. In 2008, he participated as a member of the Halton Hills Chamber of Commerce committee which organized the Halton Hills Home and Leisure Show. In 2009, Peter has been working with a subcommittee of the Town of Halton Hills Cultural Roundtable to help plan a new annual festival.

Peter is committed to delivering the best service and results in the industry. He invites you to contact him any time to discuss your real estate requirements.
