

## Focusing on "Business of the Month"

Every month, Chamber members and local residents have the opportunity to nominate a local business for the Chamber's Business of the Month award. The criteria for selection are: quality of service, unique products, and/or civic involvement which benefits the community. Companies are selected regardless of Chamber membership, and the Chamber presents each of the recipients with a plaque.

By Tracey Wellon and Larry Nicholson

The recipients for this quarter are: **Bath & Kitchen Studio** (October), **Hassell Automotive Limited** (November), and **Sherwood Digital Copy Centre** (December).

Congratulations to all of you!

**Bath and Kitchen Studio** has a showroom that has to be experienced. Tubs, shower stalls, sinks and cabinets - all in one place. All backed by excellent customer service and follow-up after the sale. If you are looking for style and quality in a kitchen or bathroom fixture, **Bath and Kitchen Studio** is the place to go. If they don't have what you want in stock, they will get it for you.

They work to your budget, providing quality services at reasonable rates. Need a plaque engraved? Do you have an architectural drawing that needs copied? Have a certificate mounted! You can drive past after normal business hours and see the lights on while Karim stays late to work on customer orders or on charity work.
