

The Field of Dreams sports facility recently received a generous donation from the Realtors of Johnson Associates as Finn Poulstrup (left) was joined by his staff to present a \$25,000 cheque to Steve Pettit of the Field of Dreams committee. This community project will upgrade the Georgetown High School's track and field area to a state-of-the-art facility with an artificial turf playing field, all-weather running track, lights, electronic scoreboard and grandstand.
