New Year's Eve at the McGibbon

Bonnie and Steve Townsley welcome the new year with top hats and noisemakers.

Sweet Marie, Marianne Janicek, Ivano Sturno and Jen Pacholok ring in the new year in style.

Georgetown residents gathered at the McGibbon Hotel in downtown Georgetown on New Year's Eve to ring in the new decade and to catch the Canada versus the United States game at the World Junior Hockey Championship. The night got off to a good start when the Canadians beat the U.S. in a dramatic shootout. The fun continued into the new year with live music, dancing and good company. Happy New Year, Georgetown!
