## Music at One

The Music at One concert series kicked off the new year with local musician and retired Georgetown District High School teacher Neil Cotton, who performed with his Hawk's Nest bandmate Dave Hubert. The two played a variety of songs by artists like Bob Dylan, The Eagles and Buddy Holly, as well as original music inspired by local happenings. Be sure to drop by the Gallery at the Halton Hills Cultural Centre on February 10 when the Music at One concert series welcomes Jordan Stumpf and Terry Vaskor.
