

Our website gets an overhaul

Visitors to our website— www.independentfreepress.com— have likely noticed a few changes since last Thursday.

In an effort to offer viewers a more regionalized news and information package our site has been incorporated under a new banner— Inside-Halton.com.

Readers can still find all the Halton Hills news, sports, opinion and entertainment information they have come to expect but on a more visually appealing home page.

As well, information from our sister papers— The Oakville Beaver, Burlington Post, Milton Canadian Champion and

Oakville Today— will also be available.

Whether entering the site via www.independentfreepress.com or www.inside-halton.com, each of the five Halton newspapers can be accessed by clicking on the word "Community" in the navigation bar and scrolling down to the individual paper of choice.

Double-clicking on the word "community" will show you all the available community-related stories. Entertainment stories can be found under the What's On subhead on the home page.

We hope you like the changes and ask you bear with us as we tinker with the site.

Every year, over 60,000 boys and girls play Timbits Hockey, where they learn the skills of the game, and share moments with family and friends. Tim Hortons is proud to support the boys and girls who play Timbits Hockey in Halton Hills.
