Local skaters on the fast track

A Winter Olympics theme was employed by the Milton Speedskating Club for its second-annual meet held last weekend at the Milton Sports Centre, complete with an opening ceremonies for the 73 competitors who took part. Among the highlights for Georgetown skaters was a 17-second improvement for seven-year-old Alana Zettler in the 500m event and nine-year-old David Bazso (above right) took a dozen seconds off his personal best over the same distance. Six-year-old Ray Buchanan shaved a few seconds off his previous best times in each of his 111m, 222m and 333m events, while Sarah Buchanan, 9, eight-year-old newcomer Matthew Bain, 10-year-old Karenna Haefner of Acton (right) and Georgetown South's Kelsey Carr also turned in strong efforts on the day.
