# Peter Guzzo Supports Georgetown Minor Hockey Players

Georgetown Hockey has a new advocate of hard work, discipline, team camaraderie, and sportsmanship. Local Realtor Peter Guzzo of Remax Real Estate Centre Inc. has launched a new program in conjunction with the Novice level GMHA, that rewards the kids on a monthly basis for the aforementioned attributes. "Having played a high level of hockey myself, I understand that the sport of hockey is results driven. I would like to focus on the sublime elements of the sport and reward the children for the intangibles that make this the best game in the world." Peter will be rewarding 4 kids in the Novice Division each month with a \$25 gift card to a local retailer. "I would like to put out a special ThankYou to league convenor Tim Kerr for his help on this program and his fervency for the game and the kids having fun."

When Exceptional Properties Demand An Exceptional Professional

## PLAYERS OF THE MONTH...

**Novice Blue Senators**  
Matthew Santana

Matthew is what this award is all about. Hard work!!! He is a strong two way forward who provides an offensive punch, scoring touch and

energizes the forwards, leading by example. This is not where it ends for this young hockey star!!! He has a strong natural defensive instinct and hustles back to prevent goals. Maybe Matthew should be wearing #10 for the Canadian National team instead of Brenden Morrow. Good work Matthew!!!

**Novice White Sharks**  
Cameron Bumstead

Cameron has hands of gold. He slaloms through the defenseman and makes it look effortless. The puck sticks to his blade

like a magnet. Sometimes I think Dany Heatley has come to visit Georgetown. Cameron scored 14 goals in 5 games averaging just under a hat trick a game. Unbelievable!!!  
Great work Cameron!!!

## HONOURABLE MENTION

**Novice Blue, Canadians**  
Grant Colwell

Grant is what you call an all heart hockey player. He exerts effort during each and every shift, in each and every hockey game. He takes several shots on net during a game. From what I understand Ovechkin has been caught on a number of occasions googling Mr. Colwell for shooting tips. Grant doesn't only have a talent for shooting, he has shown a positive attitude and good sportsman-like conduct towards both his own team and the opposing teams.

**Novice White, Flyers**  
Sean Martincourt

When I was watching the Novice Flyers play in the month of January, I wasn't sure if Bobby Orr had been sent through a time warp, traded and then changed his number. Sean had 6 goals in 5 games as a defenseman, including a hat trick in one of those games. He has great leadership qualities as well. Maybe he will be wearing the C soon.  
Great job Sean!!!!
