IN MEMORIAM

JACKMAN

I can't believe a year has passed. We miss you so much, just not the same without you. I miss the phone calls, the one liners, your sweet smile, especially when you played the accordion, you played with such pride just like Dad. I had a special birthday in October, we all missed you terribly that day. Danny you were the heart of our Parties, you'll have your special birthday very soon. I'm sure you and Dad will play together in Heaven with Mom, Aggie, Ben, Barb, Bill and Bernadette, at your side, I can picture it now. Sorry I couldn't make it home to say a proper good-bye. We talked together on the phone a day before, I told you I loved you and you said you loved me too. I'll hang on to that. Thank-you God for our brother Danny. So little brother while you sleep your peaceful sleep your memory we'll forever keep.
