New Online Waste Management Tools at www.halton.ca

How do you dispose of your paper coffee cups and food items? What about batteries, electronics, used furniture and facial tissues? The **Put Waste in it's Place** database on Halton's newly redesigned website will allow you to type in any item to find out how to reuse, recycle or dispose of it properly.

Halton.ca also has a new online **Customer Service Request tool** to provide residents with an easy way to notify Halton Region of broken Blue Boxes and GreenCarts, order items such as Yard Waste labels and Waste Management Calendars and report missed garbage and GreenCart collection. Both new tools can be found online by visiting www.halton.ca/waste.
