

### Around town...in pictures

**Left:** McKenzie-Smith Bennett Grade 3 student Erin Warling, 8, is a bit intense as she works on her knitting at the school's knitting club, which meets Wednesdays in the library. One of the advanced knitters, Erin is working on squares for a baby blanket, and has 13 knitted so far, with a goal of 30 to complete the blanket. Wendy Webber, the head of the MSB library resource centre, started the club in December "when it got cold outside," and the kids have not only learned how to knit, but enjoy social time as well.

**Top:** Siblings, from left, Kayla Leal, 5, Devon, 9, and Romeo, 3, of Georgetown were enjoying the good weather at Cedarvale Park this past weekend.

**Right:** Jamie Lewis, 14, gets in some football practice under sunny skies Saturday.
