

Region to hold info centre on planned Acton roadwork

Major roadworks underneath eight streets in the Glenlea subdivision in Acton will be the subject of a public information centre hosted by Halton Region Wednesday, March 24.

The Region's works department plans to replace the water mains and wastewater mains under the following streets:

- Queen Street (Hwy. 7) from Hillcrest Street to Churchill Road
- Longfield Road from Queen Street to Churchill Road
- Meadvale Road from Longfield Road to Queen Street
- Wescott Road from Meadvale Road to Churchill Road
- Orville Road from Longfield Road to Churchill Road

- Wynford Place from Orville Road to Longfield Road
- Roseford Terrace from Wescott Road to Longfield Road

In conjunction with the work, the Region also plans to install a water-main on Wellington Street from Mill Street East to Queen Street while the Town of Halton Hills wants to install a sidewalk along Queen Street from the Exeter Goderich Railroad to Young Street.

Both Regional and Town representatives will be at the public information centre to discuss and review preliminary design drawings with attendees. The event will take place from 6 to 8 p.m. at the Acton Arena's Community Hall at 415 Queen Street East.
