

Hornby Rate Payers Association to get updates on generating station, roads at AGM

Hornby Rate Payers Association (HARP) holds its annual general meeting (AGM) on Thursday, March 25, 7 p.m. at the Hornby Glen Golf Club.

Following a report by HARP president, Ken Lawday, elections will be held for the 2010/2011 board (minimum of six members is required).

The goal of the board is to make the voice of Hornby and area residents heard at the Town and Regional levels. Members of the Hornby community must step up to keep HARP a thriving organization— anyone willing to join the board, call Lawday, 905-876-2527, so that your nomination can be announced at the meeting.

This year the AGM will feature two presentations of high interest to Hornby:

- TransCanada will give an update on the construction and upcoming commissioning of the Halton Hills Generating Station.

- Halton Region will give a review of their plans for the major roads in and around Hornby— Steeles Ave., Trafalgar Road and Five Sideroad in particular.

Annual membership to support the work of H.A.R.P. is \$10. Payment can be made at the AGM, or just pop the fee, along with your name and address, into an envelope and either hand deliver to HARP Treasurer, Kevin Mulcahy, 8307 Sixth Line North, Hornby. His mail address is 8307 Sixth Line, RR3, Georgetown, L7G 4S6.

Also, don't forget to make a date for the annual Clean-Up Hornby Day on April 17.
