Once a month, local business people gather to catch up, share ideas and network at the Halton Hills Chamber of Commerce's Business After Hours. Last month's gathering took place at the downtown Georgetown home of Accountants on Main. Attendees checked out the newly expanded business and welcomed new members to the Chamber of Commerce.

This is what motivation looks like.

For over 25 years, Oxford Learning has been helping children of all ages get better grades. Ours is a proven approach that generates results by breaking down bad learning habits and by getting kids excited about learning.

Once children realize just how smart they really are, the rest takes care of itself. It's a wonderful thing to watch.
