

# Halton Region has your number

Why not take advantage of Halton Region's three-digit telephone numbers to simplify your tasks this year. Whether you need information about community services or access to the services provided by the government partners in Halton, you can simply dial 211 or 311, or visit our website at [www.halton.ca](http://www.halton.ca).

211 is an information and referral service available 24 hours a day, 365 days of the year. Halton Region customer service representatives can help you find information about community, health and social services in Halton, no matter who provides those services. You can dial 211 to find a family doctor, learn about options for childcare, inquire about employment insurance or job training programs, and much more. 211 is also available online at [www.211halton.ca](http://www.211halton.ca)

311 provides direct access to Halton and government partners services. Dial 311 to request a service or receive general information from Halton Region, the Town of Halton Hills, Halton Regional Police, the Halton District School Board and the Halton Catholic District School Board.

For example, you can use 311 to contact the Town of Halton Hills to ask about ice time at local arenas or to report a pothole on a local street. You can dial 311 to contact Halton Region to find out about garbage pickup or water conservation tips. You can also use 311 for non-emergency calls to the Halton Regional Police Service. Your call will be routed to the right

**Gary Carr**

people for quick and seamless service. 311 is available 24 hours a day, 365 days of the year for urgent matters and during regular business hours for non-urgent matters.

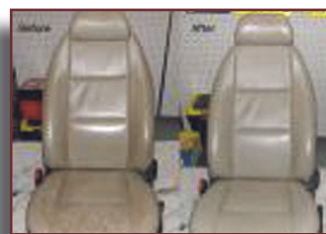

In February, we redesigned our website to make it easier to find information about our programs and services. Our redesigned site also offers two new waste management customer services programs. The Put Waste In Its Place database can tell you exactly how to dispose of any item. The other program is a Customer Service Request Tool that allows residents to notify Halton Region of possible missed garbage and GreenCart collection, report broken Blue Boxes and GreenCarts, and to quickly order items such as yard waste labels and waste management calendars.

211 and 311 provide easier access to the services that residents need. Callers can be assisted in more than 170 languages. If you have questions just call either number or visit Halton Region's website [www.halton.ca](http://www.halton.ca).

—Gary Carr is the chair of Halton Region
