# Mayor seeks third term

Mayor Rick Bonnette filed his nomination papers on Tuesday to run for office again in the Oct. 25 municipal election.

Bonnette said he feels he has a proven track record of leadership.

"I have made the hard decisions, but my leadership style is also one of consensus," said Bonnette.

"I keep my councillors in the loop, and their opinions, as those of the public, are important to me. In these uncertain economic times it is important to have someone with experience, and who can advocate on behalf of the community."

Bonnette has been a member of Town council since 1982, first as a

local councillor for Acton, then a regional councillor and then winning the top job in 2003.

Incumbents who have also filed papers to run again in the fall election are: Wards 1&2 Regional Councillor Clark Somerville, Ward 3 Councillor Dave Kentner and Ward 4 Councillors Bob Inglis and John Duncan.

Halton Region Chair Gary Carr has also filed his papers to seek re-election, as has Halton Hills Catholic school board trustee Rosanna Palmieri and Halton Hills public school trustee Gerry Ockenden.

The deadline for candidates to file nomination papers to run in the election is Sept. 10.

# Alberta facility impresses committee

**Continued from pg. 1**

"We were able to see a manufacturing facility and a completed arena complex that could possibly be replicated in a timely and responsible financial manner in Halton Hills," said Lewis.

Mininch said, "The visit was extremely worthwhile as it allowed the Town delegation to view and experience this type of structure under extreme weather conditions of snow and high winds nearing 100 km per hour in Alberta on the day of the visit. The design of the building allowed

us to feel comfortable in this type of environment."

Eagan added, "This visit allowed the Town delegation to more clearly envision a potential solution. All ice users are being considered in finding a timely and appropriate solution to our acute shortage of available ice."

Further discussions will continue as the Town is aware of other arena design and manufacturing businesses; some having made presentations before the Georgetown Arena Task Force Committee.
