to the Operations Centre and bought about 1,000 trees. They also dropped off hazardous and electronic waste, and picked up 200 cubic yards of compost About 690 lbs. of food donations and \$1,110 were collected at the Operation Centre to be split between the Acton and Georgetown food banks. An additional 280 lbs. of food and \$90 were collected at the Environmental Expo at Georgetown Market Place.

To date, approximately 10,000 trees have been sold by the Town during Earth Day celebrations.

About 60 people toured Devereaux House and checked out the features such as on-demand water heating, energy efficient lighting, geo-thermal heating, low-flow toilets, biofilter septic system and zoned indoor heating.

Georgetown Market Place was another busy spot on Earth Day. With a biodiversity theme, the events featured a live bird exhibit and an animal balloon-sculpting clown. There was also an Environmental Expo.

The Town distributed free Energy Saving Kits— provided courtesy of Union Gas.
