On behalf of the entire Gorrud's team I would like to thank the residents of Milton for 50 great years and welcome you to celebrate with us during the month of May. To commemorate this very special anniversary we have reduced the prices on our entire inventory of over 300 used vehicles and are even offering a \$5000 cash prize to one lucky vehicle purchaser.

There are also special draws and prizes throughout the month and I have personally selected 50 vehicles that have been specially priced to further commemorate our anniversary.

We are proud to celebrate our 50th anniversary and invite you to visit Gorrud's and find out why so many generations of Miltonians have chosen Gorrud's for their used vehicles.
