PET DEATH

EVINRUDE
January 2nd, 1994 - May 7th, 2010

Many will say he had a long awesome life, but in my life it was far too short. Anyone who has shared a life with such an awesome companion, which was their first 'on their own pet', will understand your time is far too short. All my dogs have and had a special place in my heart, but Evinrude was my heart dog. Anyone who knew Evinrude loved him because he stole your heart by just looking at you or the many antics he did. His energy level would tire the best of them. He made me laugh, cry, and get very frustrated, and that could all happen in one day! He made obedience judges laugh and also wonder why I kept at it with such a crazy dog. But, it was that crazy little dog that made me change a lot of things in my life. Evinrude is the reason there is Luv My K9's Inc. And, his memory will go on each day by helping dogs recover from injury, keep them mobile, and keep them fit. If it wasn't for him this path may never have happened. Thank you to everyone who has been a part of his memory. Rest easy now my little Doodle. Smithwicks and I miss you very much.

Love always,
Trudy and Smithwicks
