Weekly Cruise Night begins tonight in Georgetown

Georgetown Cruise Night, presented by Georgetown Market Place, begins tonight (May 13) and continues every Thursday evening until September 23.

The Cruise Night will held in the rear parking lot, behind Zellers, from 6-9 p.m.

All Cruisers makes and models of cars and trucks are welcome.

Listen to Cruise tunes, win door prizes and participate in the 50/50 draw.

All proceeds raised during the weekly nights will be donated to Georgetown Hospital Foundation.

NOTICE OF FIRST PUBLIC INFORMATION CENTRE MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT REGIONAL ROAD 107 (BOVAIRD DRIVE) FROM LAKE LOUISE DRIVE/ WORTHINGTON AVENUE TO 1.45 KM WEST OF HERITAGE ROAD

The Study

The Regional Municipality of Peel is completing a Municipal Class Environmental Assessment for improvements to Bovaird Drive from Lake Louise Drive/ Worthington Avenue to 1.45 km west of Heritage Road. The approximate limits of the project area are illustrated on the map.

The study will examine the need and feasibility of various improvement options to address traffic capacity issues, deficiencies in storm drainage, facilities for pedestrian and cyclist movements and transit system expansion along Bovaird Drive.

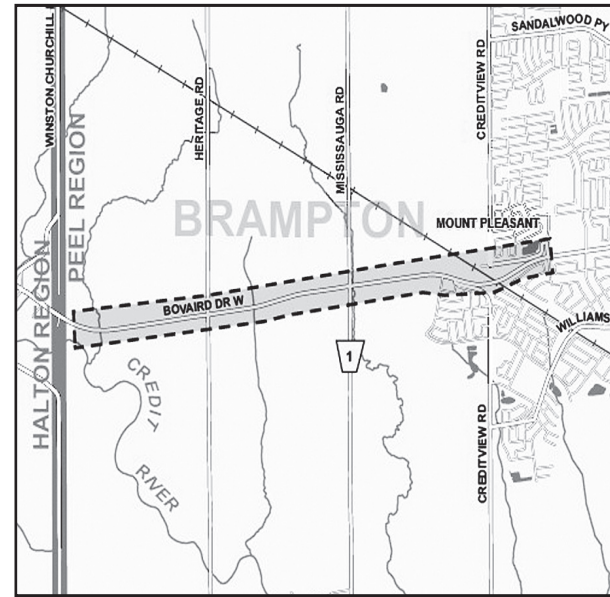

The Process

The study is being conducted in compliance with Schedule C of the Municipal Class Environmental Assessment (June 2007), which is approved under the Ontario Environmental Assessment Act. The Class EA process will include public review and agency consultation, an evaluation of road improvement alternatives, an assessment of the potential environmental effects of the proposed improvements, and identification of reasonable measures to mitigate any adverse impacts.

Public Information Centre

Two Public Information Centres (PICs) are planned for this study. The first PIC will consist of an informal drop-in centre with display boards to present the study background information including problem statement, an evaluation of alternative planning solutions and next steps. Representatives from the Region and AMEC Earth and Environmental will be present to answer questions and discuss the next steps in the study. The first PIC is scheduled for:

Date: Tuesday, May 18, 2010
Time: 6 p.m. to 8 p.m.
Location: Peel Regional Police Association
10675 Mississauga Rd.
Brampton, ON L7A 0B6

The second PIC is tentatively planned for Fall 2010. Notification of that PIC will be provided by means of a similar newspaper advertisement and with invitation letters sent to those on the project mailing list.

Comments

Public consultation is vital to this study. We want to ensure that anyone who has an interest in the proposed project has the opportunity to get involved and provide input. If you cannot attend the PIC, there are other ways you can provide input and/or be kept informed:

- Visit the Region's website for study updates: www.peelregion.ca
- Contact one of the following team members if you have any questions, comments, or wish to be added to the mailing list.
