With Lifetime Warranty†

\$169.99[†]
FOR ONLY PER AXLE

THE WORKS Fuel Economy Package

Ask about how you can save up to \$350 a year.*

GENUINE PARTS & SERVICE

Drive one.

All offers expire June 30, 2010. See service advisor for complete details. Applicable taxes and provincial levies not included. Dealer may sell for less. *Based on a 2010 Ford Fusion V6 automatic that has a fuel consumption rating of 10L/100 km in combined city/highway driving (properly tuned), a year driving distance of 24,000 km and \$1.02 per litre for gasoline. Improved fuel efficiency and emission reduction levels depend on model, year and condition of vehicle. See Service Advisor for complete details. †Ford Protection Plan is only available for non-commercial cars and light trucks. ‡If an eligible Ford, Motorcraft® or Ford-approved part fails due to a defect in material or workmanship, wear out or rust through, it will be replaced at no charge as long as the original purchaser of the part owns the vehicle on which the part was installed. Labour is covered for the first 12 months or 20,000 km (whichever occurs first) after the date of installation. Emergency brake pads are not eligible under this plan. See Service Advisor for complete details and limitations. †Excludes emergency brake pads or shoes. Machining of rotors and drums available at additional cost. Some restrictions apply. See dealer for details.

At last! A solution!

Paint, paint thinners, strippers, mineral spirits and linseed oil – if you’ve got them, please use them up. If you can’t, give them away. If that’s not possible, take leftovers to your municipal hazardous and special waste depot, or event. Do what you can and Stewardship Ontario will do the rest, by recycling or sending for safe disposal. It’s better for our communities – and the world we call home. For the nearest drop-off locations for these and other materials, visit dowhatyoucan.ca
