THOMPSON, Rosemarie May 25th, 1949 - May 15th, 2006

Rosemarie it has been 4-years since the Lord called you Home and left us here alone, and now I sit and think about you alot, and cry a silent tear as you live with me in memory. Each and every day throughout the year how can I ever forget you, when everything I do is something that reminds me of you, and the years I spent with you.

"Missing you, till we meet again"

You'll always be loved, always missed, forever remembered by Glenn, Children and Grandchildren

HARLEY, Jeanie (1943 - 2000)

In loving memory of my dear wife, Jeanie, who passed away on Mother's Day, Sunday May 14th, 2000.

I shall never forget you, Sweet memories cling round your name. A true heart that in life always loved you, Will love you in death just the same.

Sadly missed and lovingly remembered, On this 10th Anniversary of your passing. Dave

Rachelle Dawn Hunt May 12th, 1991 - September 18th, 2001

As birthdays come and go As flowers of the springtime start to show As the birds sing for us today ... memories of you never fade away.

Love always, Mom, Dad and Victoria xoxox

HARLEY, Jean - In loving memory of a dear daughter-in-law who passed away on May 14th, 2000.

As time unfolds another year, Memories keep you ever near, Silent thoughts of times together, Hold memories that will last forever.

Always remembered, Mae

PET DEATHS

EVINRUDE

January 2nd, 1994 - May 7th, 2010

Many will say he had a long awesome life, but in my life it was far too short. Anyone who has shared a life with such an awesome companion, which was their first 'on their own pet', will understand your time is far too short. All my dogs have and had a special place in my heart, but Evinrude was my heart dog. Anyone who knew Evinrude loved him because he stole your heart by just looking at you or the many antics he did. His energy level would tire the best of them. He made me laugh, cry, and get very frustrated, and that could all happen in one day! He made obedience judges laugh and also wonder why I kept at it with such a crazy dog. But, it was that crazy little dog that made me change a lot of things in my life. Evinrude is the reason there is Luv My K9's Inc. And, his memory will go on each day by helping dogs recover from injury, keep them mobile, and keep them fit. If it wasn't for him this path may never have happened. Thank you to everyone who has been a part of his memory. Rest easy now my little Doodle. Smithwicks and I miss you very much.

Love always, Trudy and Smithwicks
