WALK FOR THOSE WHO CAN'T!

WALK for ALS helps to increase awareness of the disease, raise money for equipment and support services for those living with ALS, and garner funds towards research to find a cure.

Location: The Gellert Centre
Date: June 5, 2010
Time: Registration 9:30am
Walk Start 11:00am

ALS, also known as Lou Gehrig's disease, is a fatal and rapidly progressive neuromuscular disease affecting more than 1,000 Ontarians and their families.

There is no cure or effective treatment and 80% of those affected die within two to five years of diagnosis. Please support the Walk for ALS, visit www.walkforals.ca and walk for those who can't.

Early Bird pledge/donation/money drop off on Sunday May 30th at the Real Canadian Superstore in Georgetown between 1 to 3 pm. Parking at the walk will be limited so please carpool or park on adjacent streets.

ABC Halton to host expert on gifted kids

Are you a parent/grandparent/educator interested in gifted children and teens? Have you ever wondered about gifted testing but didn't know who to ask? Do you want to know how to keep up with your child's changing needs and better understand them?

On Wednesday, May 26, the Halton Chapter of the Association for Bright Children of Ontario (ABC) will welcome Dr. Linda Rowden, a registered clinical psychologist who works with families to identify their child's profile of learning and to develop intervention and teaching strategies. She has extensive experience in assessment and treatment of children with additional specialized learning, attention and emotional needs.

This event will be held 7-9 p.m. at Palermo United Church, 2521 Dundas St. W. Oakville (near northeast corner of Hwy 5 and Old Bronte Rd).

This is a free service provided by ABC Halton Chapter and all are welcome.

Register by sending an email to abchalton@abcontario.ca. Look for more information at abcontario.ca.

Happy Birthday
 Zack Henderson
 Mom and Dad
