The Halton District School Board has to make spending cuts or it will be faced with a deficit for its upcoming school year, said Steven Parfeniuk superintendent of business services at the board.

Parfeniuk was speaking with community members to explain the half-billion dollar operating budget for the 2010-11 school year that the board is working towards finalizing.

The school board made its first of four stops to speak with parents and answer questions at Oakville's Abbey Park High School. The talks continue in all four Halton Region municipalities.

Soccer season set for kick-off

The Georgetown Soccer Club will begin its 2010 house league season this Saturday with a full slate of matches at the Norval Croatian Centre and this year's theme celebrates the upcoming World Cup in South Africa, which kicks off June 11. Goaltender Quentin Le Grand dives for a shot by buddy Parker DiRenzo during practice last week. Anyone who purchases 12x18-inch flags Saturday for \$2 will be entered into a draw to win the matching 3x5-foot flags displayed in the background of this photo.
