**Are you up to the Emergency Challenge?**

Would you be able to protect your family in the case of an emergency?

In recognition of the recent Emergency Preparedness Week, Halton Region is encouraging residents to take a short quiz to test how prepared they are.

The Emergency Preparedness Challenge is a five-question quiz prepared by the Ontario government to help residents increase their awareness and understanding of a few simple steps that could be potentially life-saving.

The quiz can be completed at [www.ontario.ca/beprepared](http://www.ontario.ca/beprepared). Those who successfully complete the quiz will be eligible to win prizes.

There are separate challenges for kids, teens and adults.

The challenge closes May 31. Emergency Preparedness Week is a Canada-wide, federal/provincial initiative.

During the week, residents were encouraged to identify and learn about risks in their communities and how they can protect themselves.

For more information about Halton's Emergency Management Program or to download or order Halton's Personal Emergency Preparedness Guide, visit [www.halton.ca/beprepared](http://www.halton.ca/beprepared), or call 905-825-6000 or TTY 905-827-9833.
