Literacy North Halton

## LNH offers summer computer workshop

Adults, are you looking for work? A summer computer workshop is now available in Georgetown.

Literacy North Halton is offering a short (six week/one day per week) introductory computer course on Mondays from June 21 to July 26 in Georgetown. This is part of a new initiative to offer smaller group Essential Skills computer courses in the North Halton area.

If you require computer skills for the work place, or further training, this could be the answer.

New students need to book an appointment for a free assessment before registering for the course. Orientation dates are scheduled for June 7 and 14. To book an appointment please call the number below.

Tutoring programs are also available to assist adults with upgrading their reading, writing and/or basic math skills on a one-to-one basis or in small groups. Call the number below for this confidential service.

Tutor volunteers with day-time availability are needed. Would you like to learn more about volunteering as a tutor? Training is provided.

Call 905-873-2200 now for information on classes and training opportunities in your community.

### Best Buy CORRECTION NOTICE

To our valued customers: We apologize for any inconvenience caused by an error in our flyer dated: May 21 - May 27.

Product: HP 23" Widescreen LCD Monitor (upgrade monitor). Please note that the incorrect upgrade monitor was advertised for the HP Pavilion Desktop PC package (10138059, 10121698), as found on page 5 of the May 21 flyer. Customers can upgrade to an HP 21.5" LCD Monitor (10121699) for \$70. NOT to an HP 23" Monitor (10121700), as previously advertised. SKU: 10121700
