Hundreds of bookworms flocked to Christ the King High School last month to stock their bookshelves at the Canadian Federation of University Women's annual Used Book and Toy Sale. Shoppers browsed through thousands of books on a variety of topics, from novels to educational books to children's titles, as well as gently used toys, games, music and movies. The annual sale, now in its 39th year, raises money for the CFUW's scholarship fund. Happy reading!
