

McHappy Day

McDonald's locations across Canada got McHappy on May 5 for the restaurant's annual McHappy Day fundraiser. The Georgetown and Acton restaurants celebrated with face painting, balloons and by inviting local "celebrities" – including police officers, firefighters, councillors and businesspeople – to help serve customers. For every Big Mac, Happy Meal and McMuffin sold that day, the local McDonald's locations donated \$1 to help purchase a fetal heart monitor for the Georgetown Hospital. Bon appétit!
