Hospital Volunteer Association raises \$60,000 for Halton Healthcare Services

The Georgetown Hospital Volunteer Association presented a cheque for \$60,000 to Halton Healthcare Services at its recent annual meeting.

The funds will be used to purchase essential medical equipment at Georgetown Hospital.

"Our volunteers play an integral role in making our hospital a more caring place for the community," said Cindy McDonell, Chief Operating Officer at Georgetown Hospital. "They provide those little extras, pitching in whenever and wherever they are needed to help improve our patients' hospital experience."

"The Georgetown Hospital Volunteer Association's unwavering support enhances the quality of care our hospital can offer the community," said John Oliver, HHS President and CEO. "Their donations, both in time and through their fundraising efforts, have truly enhanced the patient care experience at Georgetown Hospital."

With a membership of over 130 adults and youth volunteers, the Association assists in many departments throughout the hospital.

In 2009/2010 volunteers began providing services at the Fitness Factor and Volunteer Services Department, as well as expanded their role on Complex Care at the hospital.

The Association raises money by running the Hospital Gift Shop and coffee kiosk, through the HELPP Lottery, its annual poinsettia sale, chocolate sales and by organizing various community events such as the annual fashion show and the annual strawberry social.

In the past year Georgetown Hospital adult and youth volunteers have contributed more than 12,400 hours of service to the hospital.

Anyone (adults and youth) interested in becoming a volunteer at Georgetown Hospital is asked to call the Volunteer Services Department at 905-873-0111 ext. 8153.
