

St. John's Stewarttown to host Springtime for Haiti

All are welcome to attend a special musical fundraiser to aid the victims of the Haiti earthquake on Sunday, June 13 at St. John's Anglican Church in Stewarttown.

A few months ago, local piano teacher, Virginia Bagin approached St. John's to see if the church would be willing to host a musical fundraising event. More than 25 local children and youth will share their gifts of music, song, dance and fashion to help with the cause of helping Haiti in an event called *Springtime Hopes for Haiti*.

Many well known songs will be presented. You will

hear piano tunes, drums, guitar and much more! This fun event will start at 1:30 p.m. There will be a free will offering taken and a reception will be held following the event.

Doris M'Timkulu from the Primates World Relief & Development Fund, will be present to give a brief update on the situation in Haiti.

For further information call Barb, 905-873-6280.

... Lend Me Your Ears

COUNSELLING THE NEW HEARING AID USER

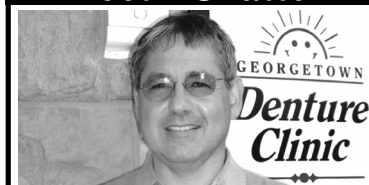

The following few tips, if followed correctly, will prolong the benefits and enjoyment of better hearing:

- Do not get the hearing aid wet
- Do not leave the instrument where it is too hot or cold
- Try not to drop the hearing aid
- Do not spray cleaning solution or hair spray on the instrument
- Keep the instrument and batteries out of the reach of small children and especially pets

If any of the above problems do occur, please don't hesitate to call...

Tooth Chatter

GETTING A BEAUTIFUL SMILE!

Are you losing your grip? Are your dentures loose, falling down, moving uncontrollably around your mouth? Have you had a "falling out"? Are you missing 1, 2 or more teeth? Not only do missing teeth look less desirable cosmetically, more importantly, spaces can cause your other natural teeth to shift position or become loose in time. Not to mention added difficulty when chewing.

"Once bitten, twice shy?" Do you have trouble biting and chewing the food you love? While dentures do have limitations, many properly fitting dentures can master even the most difficult foods. Ill-fitting dentures, or dentures that were not made properly can cause problems especially when eating.

If you are having any problems with your dentures, give our office a call. You do not need a referral. We offer no charge, no obligation consultations.

Creating confident smiles since 1982.
