*Backpack program launched in Georgetown*

Local Georgetown students gathered together to launch their volunteer participation as part of the new Links2Care Backpack program, in which needy families can apply to Links2Care for a backpack, filled with school supplies, for their children to be equipped for school this fall. Among those volunteering to fill backpacks are (front, from left) Alisha Francescotti, Elena Hall, Samantha Hall, Samantha Ceci, Emilie Doucette, Natalie Rainville, L2C Program Co-ordinator Cathy Gerrow, Meghan Harris, Rachel Gibson, and Leanne Francescotti. In back, Halton Hills Councillors Bob Inglis (Ward 4) and Bryan Lewis (Ward 2), Links2Care executive Director Sandra Melhuish, and L2C Volunteer Co-ordinator Paty Colautti. Student application forms are available at Links2Care or the participating high school guidance offices; Acton High School, Christ the King High School, and Georgetown District High School. For more information about this program please call Cathy Gerrow, Program Co-ordinator at 519-853-3310, x223 or Patty Colautti, Volunteer Co-ordinator at 905-873-6502, x26. To learn more about Links2Care and the backpack program please visit [www.links2care.ca](http://www.links2care.ca). For an additional photo of the Acton launch see page 14.

**GTI™ SE 155 / 130**

The most affordable way to get your family out of the living room and onto the water. With plenty of power for tow sports and a host of standard equipment – including mirrors, a reboarding step, speedometer and ski tow eye – the GTI SE was designed with convenience and versatility in mind. It's a great long-term value, too, because it's powered by the most fuel-efficient engine available on a Sea-Doo® watercraft.

**STANDARD FEATURES**

- Choice of 155-hp or 130-hp Rotax® 4-TEC® super-charged, intercooled engine
- 17-function digital information center
- Forward/neutral/reverse – on left-hand side
- Watertight, removable storage bin (10.1 gallons / 38 liters)

- Sea-Doo Learning Key™: Allows you to limit your speed to 35 mph (56 km/h) or 50 mph (80 km/h) and reduces fuel consumption by up to 68%
- Large glove box (2.3 gallons / 8.8 liters)
- CLCS: Closed-Loop Cooling System helps prevent corrosion and keeps out debris
- Fold-down reboarding step
- Ski tow eye
- Mirrors
- Seating: 3 persons
