What's News

Cor Baarda

**Congratulations to the following persons/businesses celebrating special achievements:**

**Habitat for Humanity Halton's ReStore** hosted its fourth Annual Open House Sale on Saturday, June 19 at 1800 Appleby Line. Oakville's Kinsmen hosted a charity barbecue on site from 10 a.m. to 2 p.m. Tim Horton's coffee and fresh popcorn was served free from 9 a.m. to 5 p.m. by **ReStore** staff and volunteers. **Habitat's ReStore** sells quality used and surplus building materials and household products at a fraction of retail prices. These materials are donated by contractors with excess supplies, from demolition crews salvaging reusable materials, and from the general public. For example, homeowners renovating kitchens can arrange for **ReStore** volunteers to remove their existing acceptable cabinets and appliances for free and receive a tax receipt for the value paid for the item. This helps the environment by diverting thousands of tons of usable materials away from landfills.

**Habitat for Humanity Halton** is a local, non-profit, faith-based organization working

for a world where everyone has a safe and decent place to live. Its mission is to leverage resources to create and promote safe and affordable home ownership options with the aim of alleviating the cycle of poverty within our community.

**The following businesses are offering expanded services:**

**COLONICS** is now available at the **Breast Health Clinic** in Acton, Ontario, owned and operated by Dr. Cynthia Simmons, HD, with Dr. Donovan Kerr, Ph.D. C.N.M. Dr. Kerr is a Certified Nutritional Microscopist, is certified in Colonic Irrigation and has over 21 years experience as a Natural Medicine Wellness consultant. Colon Hydrotherapy is a safe, gentle and natural way to eliminate toxins from the body. It is a restorative, painless procedure with many clinically proven benefits, including improved muscle tone and relief from and prevention of chronic constipation. It is an easy and effective way to prepare for medical diagnostic procedures such as colonoscopy and barium enema, and also removes chemical residues from these procedures.

**Other Announcements of Interest:**

Trevor Buttle and Joseph Tavano, partners at **Buttle and Tavano Professional Corporation Chartered Accountants** on Guelph Street in Georgetown, are pleased to announce the addition of a new "accountant" to their family – Owen Delaney was born on May 26th at 11:03 p.m. Trevor and Joe would like to thank all of our clients who have expressed their congratulations to Angela Delany, a Manager at **Buttle and Tavano**. Angela and her husband, Matthew, and Owen's big sister, Isabella, are all excited about the new addition to their family and look forward to an exciting summer.

**Styling Spaces** is pleased to announce three new staff members – Mina Alves, Sarah Weststeyn and Justine Dayao – have joined our design professionals. They are excited to join the **Styling Spaces** team and look forward to exceeding the expectations of their clients, while **Styling Spaces** is looking forward to having them on board as part of the team. **Styling Spaces** hopes you will enjoy their new arrangement and

"personalities." They're committed to making your life easier by working with you to answer your design questions. **Styling Spaces** thanks all of their clients and supporters for giving them the opportunity to meet their design needs.

Tel: 905-702-7420

**Escarpment Views** is delighted to welcome Stephen Cochrane, formerly the publisher of Snap Halton Hills, as an accomplished advertising consultant. Stephen built Snap Halton Hills into a successful, innovative local publication before an accident caused him to refocus his career. For **Escarpment Views**, Stephen will serve Halton Hills and surrounding areas, as well as large franchise accounts. **Escarpment Views** anticipates good growth with Stephen on the team.

**SOLATUBE**  
The Right Light For Every Room

The Brighten Up® Series transforms difficult to light and often forgotten rooms into extraordinary spaces filled with pure, natural daylight. Highly effective and simple to install, the Solatube Brighten Up® Series is designed to light hard to reach places. Choose the size that works for your room.

| Model           | Tube Size (diameter) | EDCS* (cm²)        | Light Coverage Area (sq. ft.) | Potential Tube Length (ft.) |
|-----------------|----------------------|--------------------|-------------------------------|-----------------------------|
| Solatube 160 DS | ≈ 10 in (250 mm)     | 160 in² (1032 cm²) | 150 - 200 ft² (14 - 19 m²)    | 20 ft+ (6 m+)               |
| Solatube 290 DS | ≈ 14 in (350 mm)     | 290 in² (1871 cm²) | 250 - 300 ft² (23 - 28 m²)    | 30 ft+ (9 m+)               |

\*EDCS (Effective Daylight Capture Surface) represents the surface area of the dome that collects and redirects sunlight. For comparison, a clear dome with no lens on a typical 10 inch tube system has an EDCS of 78.5 square inches.
