

## Sponsorship Program

To operate the Fair, the Georgetown Agricultural Society is dependent entirely on the work of volunteers. The volunteers conduct several fundraising activities throughout the year and funds raised through these activities pay for portions of the fall fair expenses. Additional revenue is generated through gate receipts. Due to ever-increasing operating costs, we are looking to sponsors for assistance through our Sponsorship Program.

The society is thankful for the generous support it has received in the past. Donations in any amount, and to any part of the Fair, have always been greatly appreciated. We wish to acknowledge our appreciation with written recognition.
