

Mauricesa Richards decides where to put her fish's eyes.

Paul and Sophie Fortier show off their finished products.

Isabella Fletcher puts the finishing touches on her fish kite.

Crafternoons

Every Wednesday afternoon this summer, kids are invited to get crafty at both branches of the Halton Hills Public Library. Between 2 and 4 p.m., kids can stop by Crafternoons and make a fun craft with the help of the library's friendly staff. *In Focus* dropped by the Georgetown branch on July 21 when the kids were making really cool fish kites.
