"PARKMOOR"
The ultimate Caledon address and lifestyle

This stunning architecturally designed custom built home has been constructed with an eye to every detail. Located in the heart of Caledon's rolling hills, this pristine 99 acre estate is maintained with manicured trails, a huge swimming pond with a "floating" gazebo fully equipped with electricity and phone. There are many magical and peaceful retreats on these grounds; the garden sanctuary with cutting garden and waterfall within the old stone walls of the original barn, the pond with 2 docks and the picturesque trails through the tall pines and meadows.

This estate offers a full equestrian operation with 8 stalls constructed with hemlock and oak. The antique doors to the stalls are ornate and the 5 star of boarding facilities! There are well maintained fenced riding rings with access to miles of riding trails in the vicinity.

The drive shed offers parking for 6 vehicles and a heated workshop complete with electricity, water and a 2pc washroom. Additionally, there is a 3 bedroom guest/club house overlooking the grassed tennis/croquet court. Also available is a propane fired back up generator, internet, and an abundant artesian water source.

The main house is unbelievably dramatic and rustic with hemlock beams, extra high vaulted ceiling, a large sundeck that provides expansive views over the grounds and a stone fireplace handcrafted with stone from the property. The expansive open concept offers a billiards room, a family room, a huge dining room and living room and piano lounge. The kitchen is a gourmet's dream with a copper hood, Garland stove and huge walk in pantry. Available upon request are permits and drawings for an additional 5000 square foot home overlooking the pond.
