Summer classical concerts return this month

Due to last summer's popularity, concert pianists Ron Greidanus and Kathryn Tremills will once again be offering a three-concert series of the most popular concerti in their repertoire.

Beginning on Tuesday, August 10, the duo will perform Tchaikovsky's *Grand Concerto No. 1 in B flat minor*. Once hailed by noted pianist and composer Arthur Rubinstein as "unplayed", this warhorse has become the most popular concerto in the piano and orchestra literature.

Musical Soiree Deux, on Tuesday, August 17, will feature Sergei Rachmaninoff's timeless and tuneful *Piano Concerto No. 2 in C minor*.

The grand finale will take place on Tuesday August 24, featuring two piano concerti, both in A minor— Edvard Grieg's beloved nationalistic gem, *Piano*

KATHRYN TREMILLS

Concerto in A minor and Rachmaninoff's *Rhapsody on a Theme of Paganini*. The concerti will be performed on two grand pianos, spooned together in Greidanus's salon, which help create an incredible

intimate atmosphere that was often experienced in centuries past.

Each program will also offer some solo pianistic displays, études of Franz Liszt and again Rachmaninoff.

Music lovers can enjoy some delicious summer savouries following each of the performances. The concerts begin at 8 p.m. at 157 Main Street South, Georgetown. Tickets, \$30, can be purchased at The Freckled Lion, 56 Main St. S., 905-873-1213 or by calling 905-873-9909.

Local youth fundraiser for UN Convention trip

While most teenagers spend their summer with friends, working part-time jobs, and laying on a beach, POWER (Protect Our Water and Environmental Resources) Youth Caucus is making strides in biodiversity protection.

Eleven youth, between the ages of 16 and 20, will be travelling as members of the Canadian Youth Delegation to the United Nations Convention on Biological Diversity 10th Conference of the Parties in Nagoya, Japan in October. There, the youth will present the International Youth Accord on Biodiversity to the world leaders, which they created through collaboration with youth

from 13 other countries around the world. The Accord is currently available in over 20 languages and is available at www.biodiversitymatters.org for supporters to sign.

To raise money for this endeavour, GPS Ger of PowerHikes is holding a fundraising waterfall hike. Coined the "Beat the Heat" hike, it will involve climbing off trail through the Escarpment and visiting many waterfalls. The Beat the Heat hike will be approximately five to six hours in length, and two hikes are scheduled for August 8 and August 22. To participate, contact GPS Ger at gps_ger@powerhikes.com. Fundraising is \$50/person minimum.
