IN MEMORIAM

In Memory of Mark Fendley

It was with great shock and sadness to see the notice of Mark's passing. Although our paths had changed direction over 20 years ago, the path we once shared is filled with many good memories. Mark will always be part of my young adulthood of which I have no regrets, except for the pain I may have caused him. I wish I could have told him this. As I glance through my old photos, I recollect many of his family and friends with great fondness. I think of you at this time of sadness and my deepest sympathy is extended to you all. Sincere condolences to the family and friends I had not met, especially his daughter Amber. I always thought Mark would make a wonderful father and I glad to read he had the opportunity. I hope Mark is now chatting with the angels, holding hands with his Mom, and laughing with his old friends that left this world before him. In grief I write, from my heart.

Debbie

Trevor McBain July 30th, 1980 -August 10th, 2003

This month comes back with sad regrets. It brings back a day we will never forget. You were taken away without saying goodbye, But our memories of you will never die. We miss you more than anyone knows, As each day passes the emptiness grows. The tears we shed, we can wipe away, But the pain in our hearts will always stay. No one knows the grief we bear, When the family meets and you're not there. You left us suddenly, your thoughts unknown, But you left us memories were proud to own.

Love you and Miss you Mom, Roy, Angela and Alex

SUNNUCKS, Jane - In loving memory of a dear sister-in-law who passed away August 12th, 2001.

You left us wonderful memories, We'll cherish our whole lives through.

Forever remembered by, Jack & Anne
